Policy:

This Policy is created to comply with the Occupational Health and Safety Act (OHSA) and reinforces the Board's commitment in maintaining an occupational health and safety program that helps to reduce workplace injuries and illness to staff, students, and visitors.

The Toronto Catholic District School Board's (TCDSB) mission is to provide a safe and welcoming learning environment that is an example of Christian community. As such, the TCDSB considers the health and safety of all employees, students, and visitors to be of paramount importance and shares concerns related to the personal suffering, property damage and financial loss associated with workplace injuries and occupational diseases.

The TCDSB is committed to continuous improvement towards zero workplace injuries and occupational illnesses through effective administration, supervision, education, and training and shall continually demonstrate by attitude and example that health and safety is an integral part of every academic, operational and core business function.

The Internal Responsibility System (IRS) is the cornerstone of the OHSA. The TCDSB and its employees share responsibility for workplace health and safety. Every Board employee regardless of job title has direct responsibility and accountability for safety as an essential part of his or her job.

Employees, contractors, constructors, summer students, co-op students, visitors and volunteers shall comply with the OHSA and all applicable legislation, regulations, TCDSB safety procedures and generally accepted safety standards.

The TCDSB's vision is that all employees will become safety leaders by promoting the IRS, by demonstrating through attitude and behavior that safety is part of the job and by working in partnership with their immediate supervisor in recognizing, evaluating, and controlling workplace hazards and risks.

The policy is in alignment with the TCDSB's Multi-Year Strategic Plan (MYSP) and reflects Catholic values rooted in the love of Christ.
