## **CUPE – PART A: CENTRAL TERMS**

the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

### **f) WSIB & LTD**

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under an LTD plan, is not entitled to benefits under a school board's sick leave and short-term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short-term leave and disability coverage. A reconciliation of sick leave deductions made, and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short-term leave and disability plans.

### **g) Graduated Return to Work**

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;

## **CUPE – PART A: CENTRAL TERMS**

- and has sick leave days and/or short-term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/ or short-term disability days remaining from the previous year,

The employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. In accordance with paragraph c), the Employee will also be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

### **h) Proof of Illness**

#### **Sick Leave Days Payable at 100%**

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on the form contained in Appendix C.

#### **Short-Term Disability Leave**

In order to access short-term disability leave, medical confirmation may be requested and shall be provided on the form attached as Appendix "C" to this Agreement.

In either instance where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

## **CUPE – PART A: CENTRAL TERMS**

### **i) Notification of Sick Leave Days**

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of salary.

### **j) Pension Contributions While on Short Term Disability**

#### **Contributions for OMERS Plan Members:**

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

#### **Contributions for OTTP Plan Members:**

- i) When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTTP contributions based on 100% of the employee/plan member's regular pay.
- ii) If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long-Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short-term sick leave provision and qualification for Long-Term Disability (LTD)/Long-Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

### **k) Top-up Provisions**

Employees accessing short-term disability leave as set out in paragraph c) will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short-term disability leave.

This top-up is calculated as follows:

- Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.

Each top-up to 100% from 90 to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case-by-case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short-Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short-term disability leave.

When employees use any part of a short-term disability leave day, they may access their top up bank to top up their salary to 100%.

## **CUPE – PART A: CENTRAL TERMS**

### **l) Sick Leave to Establish EI Maternity Benefits**

If the Employee will be able to establish a new EI Maternity Benefit claim in the six weeks immediately following the birth of her child through access to sick leave at 100% of her regular salary, she shall be eligible for up to six weeks leave at 100% of her regular salary without deduction from the sick days or short-term disability leave days (remainder of six weeks topped-up as SEB).

Agenda items should be of general concern to the parties as opposed to personal concerns of individual employees. It is not the mandate of the Committee to deal with matters that have been filed as central disputes. With mutual consent, additional items may be added prior to, or at the meeting.
- b) The minutes will be produced by the CTA and agreed upon by the parties on an item-by-item basis. The minutes will reflect the items discussed and any agreement or disagreement on solutions. \* “General Nature of Illness” (or injury) suggests a general statement of a person’s illness or injury in plain language without any technical medical details, including diagnosis. Although revealing the nature of an illness may suggest the diagnosis, it will not necessarily do so. “Nature of illness” and “diagnosis” are not congruent terms. For example, a statement that a person has a cardiac or abdominal condition or that s/he has undergone surgery in that respect reveals the essence of the situation without revealing a diagnosis.

Additional or follow up information may be requested as appropriate.

**BETWEEN**

**The Canadian Union of Public Employees (Hereinafter 'CUPE')**

**AND**

**The Council of Trustees' Associations (Hereinafter the 'CTA/CAE')**

**Re: Status Quo Central Items and Items Requiring Amendment and Incorporation**

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo or are altered as outlined below. The following language must, however, be aligned with current local provisions. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

**PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB – EI WAITING PERIOD**

The parties agree that the issue of the statutory amendment to the Employment Insurance Act resulting in a reduction of the employment insurance waiting period has been addressed at the central table and the intent of any existing local collective agreement provisions shall remain status quo. Therefore, where a school board's local collective agreement language references a two-week waiting period and required payment for the two-week waiting period, the board shall ensure that the funds payable from the board to a permanent employee taking an approved leave of 12 months or greater, shall reflect the full sum that would have been payable prior to the reduction of the waiting period.

Provisions with regard to waiting periods and/or payments during such waiting periods shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein and to accord with the relevant statutory change that reduced the waiting period to one week.

**STATUTORY/PUBLIC HOLIDAYS**

School boards shall ensure that within their local collective agreement terms, Family Day is included as a statutory/public holiday.

**WSIB TOP-UP**

If a class of employee was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties who have not yet do so must incorporate those same provisions without deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) month shall be included in the 2019-2022 collective agreement.

**For parties who have yet to incorporate or aligned local language into the 2014-2017 collective agreement, the following shall apply:**

## **CUPE – PART A: CENTRAL TERMS**

#### **SHORT-TERM PAID LEAVES**

The parties agree that the issue of short-term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5 days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short-term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short-term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

#### **RETIREMENT GRATUITIES**

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. Employees are not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day. The following language applies only to those employees eligible for the gratuity above.”

### **SICK LEAVE TO BRIDGE LONG-TERM DISABILITY WAITING PERIOD**

Boards which have Long-Term Disability waiting periods greater than 131 days shall ensure there is language that accords with the following entitlement:

An Employee who has applied for long-term disability is eligible for additional short-term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. The additional days shall be payable at 90% and shall be used only to bridge the employee to the long-term disability waiting period if, under a collective agreement in effect on August 31, 2012, the employee was required to wait more than 131 days before being eligible for benefits under a long-term disability plan and the collective agreement did not allow the employee the option of reducing that waiting period.

  - (a) A catastrophic or unforeseeable event or circumstance;
  - (b) Declining enrolment;

- 5. Notwithstanding the provisions of the School Boards Collective Bargaining Act (SBCBA) requiring the ratification of both local and central terms for a collective agreement to be effective, the parties agree that CUPE locals and School Boards will meet within 30 days of ratification of the central agreement to establish and maintain the protected complement.
- 6. Reductions as may be required in 1. above shall only be achieved through lay-off after consultation with the union on alternative measures, which may include:
  - a) priority for available temporary, casual and/or occasional assignments;
  - b) the establishment of a permanent supply pool where feasible;
  - c) the development of a voluntary workforce reduction program (contingent on full provincial government funding).
- 7. The above language does not allow trade-offs between the classifications outlined below:
  - a) Educational Assistants
  - b) DECEs
  - c) Secretaries
  - d) Custodians
  - e) Cleaners
  - f) Information Technology Staff
  - g) Library Technicians
  - h) Instructors
  - i) Supervisors
  - j) Central Administration
  - k) Professionals
  - l) Maintenance/Trades
- 8. The parties agree that where local collective agreement language currently exists that provides a superior benefit specifically with regard to protected complement FTE number, that language will prevail.
- 9. This Letter of Understanding expires on August 30, 2026.

The parties mutually agree to appoint a single arbitrator to resolve any such grievance within the provisions of this Article. No person may be appointed as an arbitrator who has participated directly in any attempt to settle the grievance or policy difference.

- 7.14** Should any grievance arise between the Board and any employee or any direct difference between the Board and the Union or Local Union, or should any employee believe that the employee's discharge is in violation of this Agreement and should any party desire to take advantage of the procedure provided for in this Article, each step in such procedure (including any reference to arbitration) required to effect a satisfactory disposition of the matter shall be taken by such party within the time limited above set forth or the matter shall be deemed to have been abandoned.

The time limits outlined herein for the grievance process may be extended in writing by mutual consent.

## ARTICLE 8 DISCHARGE AND DISCIPLINARY PROCEDURES

- 8.01** A claim by an employee that the employee has been unjustly discharged or suspended will be treated as a grievance if a written statement of such grievance is lodged with an Employee Relations designate within **ten (10)** working days after the occurrence of the matter which is the subject of the grievance.

- 8.04** In the event the Board intends to give an employee a written reprimand, suspend the employee for more than part of a day or discharge the employee, the immediate supervisor or designate of the Board shall inform such employee prior to the occurrence of such of the reason(s) therefore and that a steward may be present. The absence of a steward shall not affect the validity of the reprimand, suspension or discharge.

## **APPENDIX C**

### **OMERS CONTRIBUTORY EARNINGS**

The following definition of contributory earnings under the OMERS pension plan is provided for information purposes only and is non grievable. The parties will continue to be bound by any and all amendments to the OMERS pension plan.

Contributory earnings must include all regular earnings as follows:

- Base wages or salary;
- Regular vacation pay if there is corresponding service;
- Normal vacation pay for other-than-continuous full-time members. Include vacation hours in credited service;
- Retroactive pay (including any pay equity adjustment) that fits with OMERS definition of earnings for all members, including active, terminated, retired and disabled members;
- Lump sum wage or salary benefits which may vary from year to year but which form a regular part of the compensation package and are expected to normally occur each year (for example, payment based on organizational performance, some types of variable pay, merit pay, commissions);
- Market value adjustments (for example, percentage paid in addition to a base wage as a result of market conditions, including retention bonuses if they are part of your ongoing pay strategy and not a temporary policy);
- Ongoing special allowances (for example, flight allowance, canine allowance);
- Pay for time off in lieu of overtime;
- Pay in lieu of benefits (for example, when an employer has a flexible benefit program, and the employee receives compensation in lieu of the benefit option);
- Salary or wages for period of suspension where a member is reinstated with full pay and seniority (for example, a grievance settlement specifically reinstates a terminated employee with full pay and seniority);
- Danger pay;
- Acting pay (pay at a higher salary rate for acting in place of an absent person);
- Shift premium (pay for shift work);
- Ongoing long service pay (extra pay for completing a specified number of years of service);
- Sick pay deemed to be regular wages or salary;
- Salary or wage extension for any reason, provided service is extended (the member must be kept whole for example, continuation of salary and benefits). If the member becomes employed in another position and begins contributing to another registered pension plan (except CPP) the balance of the extension period becomes unpurchaseable service;
- Stand-by pay/call in pay (pay for being on call, not pay for hours worked when call in) where this pay is in relation to duties that are an extension of the member's normal job;
- Living accommodation premiums provided (if paid as a form of compensation and not as a direct expense reimbursement);
- Ongoing taxable payments to pay for costs (for example, educational or car allowance);
- Taxable premiums for life insurance;
- Taxable value of provided vehicle or car allowance (for example, if an employer provides an allowance (that is, expenses that are not reimbursed) then the allowance is considered part of contributory earnings. If an employer reimburses mileage, this reimbursement represents payment for gasoline, maintenance, insurance, wear and tear on the vehicle and license fees

and should not be included as part of contributory earnings;

- Payments for unused accumulated sick days or vacation time, only on retirement and only if credited service is extended. When you include lump sum payments for unused sick days or vacation time as contributory earnings, you must also extend the retirement date and the credited service by the number of days covered by the payment. The member's pension will begin on the first day of the month following the revised retirement date.
