

Hello Everyone,

We are excited to be back providing lunches to St Gregory and trust that everyone has had a wonderful summer and are eager to return to start a brand-new school year. We are happy to be back and provide you with healthy and easy lunches for you and your family's convenience.

Being a mom of 3, I know how busy life gets. Our lunches are made fresh daily. No fried foods, only baked and grilled. Our mission is to bring love from our table to your child's school with convenience, functionality, and accessibility in the healthiest and safe way.
