The Toronto Catholic District School Board is an inclusive learning community rooted in the love of Christ. We educate students to grow in grace and knowledge and to lead lives of faith, hope and charity.

OUR VISION

At Toronto Catholic we transform the world through witness, faith, innovation and action.

We believe in the worth and dignity of every person and that people thrive in a safe, healthy and compassionate environment. We strive to foster student achievement and well-being by providing all students with safe, healthy learning environment.

One of the ways we can achieve this goal is by using a whole-school approach to develop and nurture a positive school climate. The Safe Schools Action Team will consist of a variety of stakeholders in each school community responsible for advising the principal about school safety. The team will collaborate with the principal to create the local Safe Schools Plan.

1. Bullying Awareness, Intervention and Prevention

2. Progressive Discipline
3. Promoting a Positive School Climate

4. Emergency Response Plan

In order for all students, staff members and parents/visitors in the school facility to be prepared to respond to a serious threat, the response procedures must be practiced. The Toronto Police/School Board Protocol, 2011 requires a minimum of 2 Lockdown Drills every school year.

Please see below for the scheduled drills:

1. Bullying Awareness, Intervention and Prevention Plan

Providing students with an opportunity to learn and develop in a safe and respectful society is a key goal of the TCDSB. Providing students with an opportunity to learn and develop in a safe and respectful environment supports academic achievement for all students, which in turn, helps them to reach their full potential. Research and experience show that bullying is a serious issue that has far-reaching consequences for individuals, their families and peers and the entire school community. Schools that have bullying intervention and prevention strategies foster a positive learning and teaching environment that supports academic achievement for all students and that helps students reach their full potential.
