Re: St. Leo Catholic School – Capital Status of the Project for October 2016

Capital and Planning Departments continue to work on the development of a new school at the site of St. Leo Catholic school to consolidate the student populations of St. Leo and St. Louis Catholic schools. The status of the project is as follows:

- The Space Plan Template for the new school and child care was submitted to the Ministry of Education for approval on October 14, 2016;
- A Request for Proposal to select a consultant to provide planning studies and full architectural services will be issued shortly. Ministry approval of the Space Plan Template and Board approval are required to appoint a Consultant.

Please share this information with your school community. Please also advise parents to check the Board website at <https://www.tcdsb.org/schools/stleo/News/Pages/New-Construction.aspx> for updated information on the project.

Yours truly,
