

To Whom It May Concern,

Please do not remove the  
slate chalk boards from this class-  
room. They have been here for  
100 years. Whiteboards last for 20.  
These are beautiful to write on and  
we love them. They just need a little

TLC.

Cover them with a white board if you must, but don't remove them.

Good-bye  
slip St. Leo's.
